

Help us all practice generosity—

generosity to our congregation, generosity to those around us

The annual pledge campaign is the source of a major part of the church's income. Contributions received through pledges and weekly basket collections amount to about sixty percent of the income. Pledges give us the way to budget for the coming year.

That's why your commitment is so important to us. We will be developing the budget in November and December, and will be presenting it to the congregation after the new year.

Other than rental income from weddings, other congregations using the church, and occasional fundraisers, our only other income comes from investment returns. As you can

imagine, this year that income has decreased significantly, making the pledge campaign even more vital.

When pledging, please remember that pledge money is used throughout the year, so pledges received early in the year or on a regular basis are the most helpful.

We understand that most families have felt the financial pinch, too. But we hope that you will do your part, maybe even a little more than last year, to enable the church to continue to do all the things that make it a major part of our lives and a forceful contributor to the well being of Nantucket as a whole.

pledge campaign for 2010

Please drop your pledge card in the offering basket on Sunday. Or you can mail it to the church office. You can also pledge online and make single or periodic contributions by credit card. To make your 2010 pledge online, go to:
