Our Mission

Working toward a more just and inclusive society, our congregation supports spiritual growth and service with open doors, minds, and hearts:

Open doors for welcoming our diverse island communities and visitors;

Open minds for exploring differing ideas and beliefs;

Open hearts for deepening our connection with others and ourselves.

Lighting the Chalice
We light this chalice in recognition that our faith knows no borders. May this flame remind us of the connections that bind us to Unitarian Universalists around the world in common purpose, shared hope, and love.Connie Simon

Extinguishing the Chalice
As we extinguish our chalice, may we remember the flame of life in all things, the bright center of our planet, the star that lights our world, and the way those points of brightness connect within us, and within all things. May we carry the light; May we share it freely; May we find it everywhere.
