

Our Mission

Working toward a more just and inclusive society, our congregation supports spiritual growth and service with open doors, minds, and hearts:

Open doors for welcoming our diverse island communities and visitors;

Open minds for exploring differing ideas and beliefs;

Open hearts for deepening our connection with others and ourselves.

Lighting the Chalice

We light our chalice as a symbol of the Light within us and the life that flows through the world around us. It is our beacon as we search for truth. It is the warmth in our hearts for love. And it is the energy that propels us to action. May we be kindled by our time together.

Extinguishing the Chalice

As we come to the end of service, may you depart from our time together Buoyed by the Spirit of Life, delighted by the warmth of our gathering, and Renewed in soul and mind. As we extinguish the flame of our chalice, may its lingering spark be carried in your heart until we are together again.
