

Our Mission

Working toward a more just and inclusive society, our congregation supports spiritual growth and service with open doors, minds, and hearts:

Open doors for welcoming our diverse island communities and visitors;

Open minds for exploring differing ideas and beliefs;

Open hearts for deepening our connection with others and ourselves.

Lighting the Chalice

Michelle Axelson (*she/her*)

We light our chalice for our queer siblings near and far, those surviving, thriving, living life, in the open and those whose safety keeps them quiet. This flame represents the fierceness of the love and protection of this congregation – now and always.

Extinguishing the Chalice

As we extinguish our chalice, may we remember that we are links in an unbroken chain of fighters. May this flame live on within us, just as the memory of our LGBTQ+ ancestors does, inspiring us to carry on the torch of justice.
